

Ipswitch® MOVEit® for Government

Moving files securely in and between State, Federal, Local and Central Government Departments and Agencies is business critical as these files usually contain extremely sensitive citizens data.

This can include personally identifiable information (PII) such as Customer Names, Addresses and Phone Numbers, health information, welfare payment details.

Transferring and storing such data securely is very important to prevent loss of privacy for citizens and avoid data breaches which can incur financial penalties from regulatory authorities.

Why Government Agencies & Departments Use MOVEit®

For sending data files that contain sensitive commercial or personal information such as

- › Citizens Tax information
- › Welfare payments
- › Invoices
- › Child care records
- › Regulatory reports
- › Criminal records
- › Application forms e.g. passports
